

## **FAMILY BUSINESS LEADERSHIP NETWORK**

**Family Business Leadership Network – facilitated round-table peer groups for family members in family business focusing on successful intergenerational transitions.**

Members represent a wide range of businesses and most of the members come from companies in the second, third, fourth or fifth generations who are navigating the transition from one generation to the next while growing their family legacy.

- Our Mission: personal and professional development through diversified experiences and accountability
- Our Vision: live a fulfilling life and grow our family legacies with confidence

### **A NETWORK OF SUCCESSFUL PEERS**

Forum members cite a variety of benefits from membership in a Forum for Family Business<sup>sm</sup>:

- Develop long-term relationships with peers who know, first-hand, what it means to be a family in business
- Plan both the ownership and management transition in your family business
- Stay ahead of potential problems and pitfalls
- Focus on long-range strategies and concerns
- Identify practical solutions to pressing issues
- Implement suggestions with the benefit of group support and feedback
- Achieve cost and time savings by learning through the experiences of others
- Enhance your leadership ability for the long-term success of your family business

### **DEDICATED TO FAMILIES IN BUSINESS**

Through assessment, plan design and execution, we are able to assist your family and your business to overcome challenges caused by the emotional needs of those closest to you.

### **UNIQUELY EXPERT**

We are doctoral-level business psychologists, trained in understanding how to work within complex and dynamic family systems, as well as a wide variety of business contexts. We each have over 20 years of experience providing value-added services to business families that help them efficiently and effectively achieve their personal, family, and business objectives.

### **A LEGACY FOR GENERATIONS**

Successful families in business nurture and sustain their legacy for today and tomorrow through a commitment to an ongoing Family Council, the commitment to their Family Constitution, and the development of a next generation of Leadership. Prepare for the future and succeed in business by joining The Forum for Family Business and completing the Family Business Enterprise Assessments.
